

CAME 2016-2017 Webinar Series

Faculty Development and the Centre for Health Education Scholarship invite you to join us for a CAME webinar session, designed to bring practical, evidence- and experience-based advice to Canadian health educators.

Delivered by CAME using the Adobe Connect platform, the webinars allow full audio and visual interaction between presenter and participants, offering an exciting opportunity to engage online with an expert and with colleagues in a live discussion on a key topic in medical education.
